(3) in subsection (aXIXBXiv), by striking "Government-operated".

15 USC 3710a (d) CONTRACT PROVISIONS.—(1) Not later than 150 days after the date of enactment of this Act, each agency which has contracted with a non-Federal entity to operate a Government-owned laboratory shall propose for inclusion in that laboratory's operating contract, to the extent not already included, appropriate contract provisions that—

(1) establish technology transfer, including cooperative research and development agreements, as a mission for the laboratory under section 11(aXD of the Stevenson-Wydler Technology Innovation Act of 1980;

(2) describe the respective obligations and responsibilities of the agency and the laboratory with respect to this part and section 12 of the Stevenson-Wydler Technology Innovation Act of 1980;

(3) require that, except as provided in paragraph (2), no employee of the laboratory shall have a substantial role (including an advisory role) in the preparation, negotiation, or approval of a cooperative research and development agreement if, to such employee's knowledge—

(i) such employee, or the spouse, child, parent, sibling, or partner of such employee, or an organization (other than the laboratory) in which such employee serves as an officer, director, trustee, partner, or employee—

(I) holds a financial interest in any entity, other than the laboratory, that has a substantial interest in the preparation, negotiation, or approval of the cooperative research and development agreement; or

(II) receives a gift or gratuity from any entity, other than the laboratory, that has a substantial interest in the preparation, negotiation, or approval of the co-operative research and development agreement; or

(ii) a financial interest in any entity, other than the laboratory, that has a substantial interest in the preparation, negotiation, or approval of the cooperative research and development agreement, is held by any person or organization with whom such employee is negotiating or has any arrangement concerning prospective employment;

(D) require that each employee of the laboratory who negotiates or approves a cooperative research and development agreement shall certify to the agency that the circumstances described in subparagraph (CXO and (ii) do not apply to such employee;

(E) require the laboratory to widely disseminate information on opportunities to participate with the laboratory in technology transfer, including cooperative research and development agreements; and

(F) provides for an accounting of all royalty or other income received under cooperative research and development agreements.

(2) The requirements described in paragraph (1XO and (D) shall not apply in a case where the negotiating or approving employee advises the agencv that reviewed the applicable joint work state-ment under section 12(cX5XCXO of the Stevenson-Wydler Technologv Innovation Act of 1980 in advance of the matter in which he is to participate and the nature of any financial interest described in
